Todo lo que necesitas es amor.  
Pero un poco de chocolate de  
vez en cuando no hace daño.

CHARLES M. SCHULZ

The background of the advertisement features two golden-brown, crusty loaves of bread, one taller and one shorter, standing upright. To the right of the loaves are several stalks of wheat, some with heads and some without, arranged vertically. The entire scene is set against a plain, light-colored background.

# Compre PAN Artesanal
